REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Mt. Pisgah Elementary School had many successes during the 2007-2008 school year. Our Media Center, which has a collection of 6,263 titles, circulated 21,161 books this school year. We have 49.31 books per child for our 130 students. We have fully-operational Reading Renaissance, Math Renaissance, Perfect Copy, and Success Maker programs incorporated in our curriculum. Our students passed 15,827 Accelerated Reader tests with an average of 91.5% correct. We had a Veterans Day Celebration for over 50 community veterans, and students provided the entertainment while community churches provided the food. We started a tutoring program called Pisgah Pals, where community members came in and read to students. Pisgah Partners, our outreach business partners, provided funds to purchase supplies for our Pisgah Pals. Each classroom teacher has a laptop computer to use at school and home.

Our staff development opportunities included training in MAP, Science Kit usage, and Differentiated Instruction. Our Media Specialist is the current President of SCASL. Our Curriculum Coach is a certified Ruby Payne Framework for Poverty instructor. We have a Science Lab that serves all students. This spring, our school received recognition from the Education Oversight Committee for Closing the Achievement Gap for traditionally underachieving students. We were also 1 of 66 schools in South Carolina to be named as a Red Carpet School.

Our School Improvement Council (SIC) and PTO remain very active and continue to support all academic programs within our school.

Mt. Pisgah Elementary School is a thriving school in a loving and caring community, and our students, parents, and staff are dedicated to continuing our successes.
